## Care Enough To Share

**T**hank you for choosing us for the dental care of you and your family. Our goal has always been to provide you with the highest quality dental care in the friendliest, most caring way possible.

**W**e hope the care you received by our doctors and staff will inspire you to share us with your friends and family. Our practice continues to grow because of the referrals of caring patients like you. That is why we have established our Care Enough to Share program to thank you in a special way that allows both you and your friends and family to save money on dental work.

Here is how the

## Care Enough To Share

program works:

1. Write your name and address on the attached **\$50** referral certificate.
2. Give it to a friend, neighbor, co-worker or family member who has never been to our practice.
3. This certificate will give them a **\$50** savings on their first appointment.
4. When they redeem their certificate, we will thank you with a **\$50 Credit** on your account for future dental work.

**T**here is no limit to the number of **\$50 Credits** you can use. Apply them toward routine dental work or cosmetic dentistry to brighten your smile!

Every person that you refer receives this  
\$50 credit to use on their dental visit.

# Care Enough To Share

When they redeem their certificate,  
you will receive a \$50 credit on your  
account for future dental visits too!
